A COMIC OUTLINE OF HISTORY - Donald Ogden Stewart

" Mr. H. G. Wells, in his "Outline of History," was of necessity forced to omit the narration of many of the chief events in the history of these United States. Such omissions I have in this brief volume endeavored to supply. And as American history can possibly best be written by Americans and as we have among us no H. G. Wells, I have imagined an American history as written conjointly by a group of our most characteristic literary figures." - Summary by Donald Ogden Stewart
